

ABERMULE COMMUNITY NEWS

FEBRUARY 2022

ABERMULE COMMUNITY CENTRE

After nearly two years dare we hope for a return to a regular programme of activities at The Community Centre?

Operating in line with current Welsh Government covid guidelines; whilst restrictions have now been lifted on numbers and social distancing, attendees are still required to wear a face mask on entering the building and in confined spaces. Group's are required to complete a risk assessment for their specific activity. Use the hand sanitizer provided, complete Track and Trace and open windows for ventilation. Sanitizer or wipes are provided for cleaning surfaces after use.

Please Note: Dogs are not allowed in the Community Centre, can we also ask that dogs are not taken into the fenced off area at the rear of the Centre, not only is this a Football pitch but is also where our School Children play.

We rely on your co-operation to operate a safe environment. Thank you
