ELECTRIC CAR CLUB IN THE ABERMULE AREA:

We would like to evaluate the need for a Car Club before committing to set up a scheme.

- Are you serious about reducing your carbon footprint?
- Would you like to be able to afford to drive an electric car?
- Maybe you would like to give up having to own a second car?

Currently, if you live in Machynlleth, Llanidloes, Newtown or Welshpool this is possible thanks to **TripTo**. Each town has its own Renault Zoe parked near a charge point. New members are given a familiarisation session and a free initial drive of the car. Members pay a small monthly fee and for their usage of the car based on the mileage driven and time used. All the other costs such as electric, car tax, insurance and maintenance are paid for by TripTo.

If you are interested, please contact your local coordinator, Nigel Williams on 07854 028892, coordinator@welshpoolcarclub.org.uk or go to www.tripto.org.uk for more information.
