

ABERMULE NEWS

MARCH 2019

ABERMULE COMMUNITIES TOGETHER – Once again taking our protest to County Hall at Llandrindod Wells Thursday 7th March. Car sharing if anyone requires a lift please Contact Wendy Ellis Tel. 01686 630372 Mob. 07765 931228 e.mail Wendy508ellis@btinternet.com Face book Abermule Communities Together

ACT have tabled questions to the Portfolio Holder for Highways, Recycling and Assets :- Would the Councillor share with us the current trends over the last 6 months for recycling in North Powys, in particular the tonnages for each waste material he is intending to process through the Abermule Recycling Facility when it is intending to come into operation? **Stephen Meadowcroft.**

Powys Councillors will be fully aware of the rapid, almost weekly changes in recycling methods, technology and government regulations surrounding the waste industry. Here in Powys the recycling work is successfully done 'out of house' at the moment, and those business will bear the future costs of expensive changes in the waste industry. Because Powys's main duty is to collect waste, not to run competing businesses in the waste industry, is it a wise decision for the council to be investing huge effort and millions of pounds in such a constantly changing scenario in this time of cutbacks? **Jeffrey Matthews**

MONTGOMERY ENERGY GROUP FREE BIKE SCHEME

Have 30 + superb bicycles to give away to people who want to get cycling. Why is that? Well, Montgomery Energy Group (MEG) run a scheme where we ask people to donate any bikes they no longer have use for, we do them up and then give them away so that adults and children get back onto bikes as an economical and environmentally friendly method of transport, having fun and keeping fit. So if you want a bike, or have one to donate, or want a free check over of your own bike to get you back on the road (or canal!)

Please call Brett on 01686 669730. Thank you.

ABERMULE COMMUNITY CENTRE

CAR PARKING: Can all Centre Users refrain from using the car park adjacent to the Main Hall during school hours. This is to ensure safe entrance and egress of pupils, staff and visitors of Abermule CP School especially during busy period. There should be adequate parking for normal centre day-time usage in the car parks at the side and rear of the centre

Following several recent near misses, I would like to remind Centre Users that there should be **NO PARKING** on the road on the one way system around the 'D' or along-side the ramp in front of the main entrance as this is our **DESIGNATED EMERGENCY VEHICLE ACCESS**.

ENVIRONMENTAL HEALTH INSPECTION: I am proud to inform the community that Abermule Community Centre has retained its five star Hygiene Rating. Co-ordinating 14 affiliated bodies along-side other bookings can be difficult, I am grateful to all groups co-operation in keeping the Community Centre Canteen a clean and hygienic environment. I am especially thankful to Kirsty Tudor, Caroline Powell, Helen Davies, Dyfrig Rees and Rhiannon Shearer assistance leading up to the inspection.

Abermule Community Centre has also undergone **3 other statutory inspections / audits**. Whilst the inspection teams have been generally happy with the day to day management. There have been several minor compliance requirements mainly due to changes to legislation or British Standards. Whilst the majority of these will not affect Centre Users, you may notice a few changes. These have been made in consultation with the relevant agencies to insure that Abermule Community Centre remains a safe and compliant environment.

CAR BOOT SALES: Dates, Fees and Allocation were confirmed during the last Abermule Community Centre Association (ACCA) meeting, check our website www.abermule.cymru for information or cancelation due to poor weather.

COMMUNITY CLEAR-UP: Our spring clear up will be on Sat 27th April from 10am. All help is welcome to complete several projects in and around Abermule Community Centre. We also welcome suggestions for projects or works within Abermule Community to enhance our local environment. (Please use the contact details at the bottom of this entry).

VOLUNTEERS AND TRUSTEES: Volunteers keep Abermule Community Centre running though-out the year. Whether involved in the administration and management (Trustee Role), volunteering at events, undertaking grounds and maintenance projects or cleaning we need support to keep our much loved community asset going. If you have any spare time in your week or skill that you could offer, please get in touch, help is never refused.

MAJOR DEVELOPMENT PROJECT: Plans for Major Development at Abermule Community Centre were revealed during the Community Centre Association (ACCA) Meeting. The proposals include the building of a Sports and Society Clubhouse to the rear of the centre overlooking the sports field, the resurfacing of the all-weather area as well as much needed renovation to the Main Hall and Toilets. The plans and a summary of the project will be available on our website www.abermule.cymru. We are in the process of seeking funding, to support the process and to ensure that any investment benefits as much as the Community as possible, we would like your comments, ideas, wishes etc. -Please get in touch via the details below.
